

West Coast Riding Club

Thanks to all those members who supported the Club so well last year please can you continue to do so this year too!!

Membership has stayed at last years prices to help all members beat the credit crunch! Sadly though it was felt we need to increase the price of the showjumping and this is now at £5.00 per class with £7.50 for late entries.

The committee have proposed looking at purchasing a timing system for the showjumping – so more entries will be needed to justify the expense.

The team games competition will continue again this year and if anyone knows of a business prepared to sponsor this competition please let a club official know. So get your teams sorted out and be ready for some fun.

Flag Race!!

We have had several members request to represent the Club in the Inter Club Dressage – if you are interested please let us know. Last year Lynne spent a lot of time trying to organise teams – we do like the club to be represented so don't be shy.

If any member feels that we should try a different competition or event please let us know – the club is for the members and so long as suggestions are supported we will 'give it a go'

Green Day

If you would like to "have a go" at competing and have never tried it please join us on Sunday 28th March – more details will be on the website shortly

Club officials for 2010

Chairman	Paula Creer
Vice Chairman	Annette Gill
Treasurer/Membership	Lauren Kirk
Secretary	Michaela Cannell

Committee

Lynne Moreton
Jane Prescott

So come along and have some fun
We need help and support for the events to run

Dad's, Granddads, Grannies,
brothers, sisters and mum's can
all do their part

To keep the events all running
Smart!!
